1. A door, aisle, passageway, stairway, or other means of exit does not conform to the applicable Fire Code or Building Code.
 2. A portion of the building or structure is damaged by fire, wind, flood, or other cause so that the structural strength or stability of the building or structure is appreciably less than it was before the fire, wind, flood, or other cause and does not meet the minimum requirements of the Housing Law of Michigan, Public Act 167 of 1917, as amended, MCL 125.401 *et. seq.*, or the applicable Building Code for a new building or structure, purpose, or location.
 3. A part of the building or structure is likely to fall, become detached or dislodged, or collapse, and injure persons or damage property.
 4. movement of some portion of the ground necessary for the support, or for other reason, is likely to partially or completely collapse, or some portion of the foundation or underpinning of the building or structure is likely to fall or give way.

6. The building or structure, or a part of the building or structure, is manifestly unsafe for the purpose for which it is used or intended to be used.
7. The building or structure is damaged by fire, wind, or flood, or is dilapidated or deteriorated and becomes an attractive nuisance to children who might play in the building or structure to their danger, or becomes a harbor for vagrants, criminals, or immoral persons, or enables persons to resort to the building or structure for committing a nuisance or unlawful or immoral act.
8. A building or structure used or intended to be used for dwelling purposes, including the adjoining grounds, because of dilapidation, decay, damage, faulty construction or arrangement, or otherwise, is unsanitary or unfit for human habitation, is in a condition that the Township Ordinance Enforcement Officer or County Public Health Officer determines is likely to cause sickness or disease, or is likely to injure the health, safety, or general welfare of the people living in the dwelling.
9. A building or structure is vacant, dilapidated, and open at a door or window, leaving the interior of the building exposed to the elements or accessible to entrance to trespassers.
10. A building or structure remains unoccupied for a period of 180 consecutive days or longer, and is not listed as being available for sale, lease, or rent with a real estate broker licensed under Article 25 of the Occupational Code, Public Act 229 of 1980, MCL 339.2501 *et. seq.*, or is not publicly offered for sale by the owner.  - (ii) Maintains the exterior of the building or structure and adjoining grounds in accordance with this Ordinance and the Housing Law of Michigan, Public Act 167 of 1917, as amended, MCL 125.401, *et. seq.*, or the applicable Building Code or in accordance with a valid building permit of court order.

- b. A secondary dwelling of the owner that is regularly unoccupied for a period of 180 days or longer each year, if the owner notifies the enforcing agency that the dwelling will remain unoccupied for a period of 180 consecutive days or more each year. An owner who has given the notice prescribed by this subparagraph shall notify the enforcing agency not more than 30 days after the dwelling no longer qualifies for this exception. As used in this subparagraph, "secondary dwelling" means a dwelling such as a vacation home, hunting cabin, or summer home that is occupied by the owner or a member of the owner's family during part of the year.

SECTION 4: NOTICE OF DANGEROUS BUILDING; HEARING.

- A. Notice Requirements. Notwithstanding any other provision of this Ordinance, if a building or structure is found to be a Dangerous Building, the Enforcing Agency shall issue a notice that the building or structure is a Dangerous Building.
- B. Parties Entitled to Notice. The notice shall be served on each owner of, or party in interest to, the building or structure as determined by the name(s) listed for the property on the last local tax assessment records of the Township.
- C. Contents of Notice. The notice shall specify the time and place of a hearing on whether the building or structure is a Dangerous Building and state that the person to whom the notice is directed shall have the opportunity at the hearing to show cause why the Hearing Officer should not order the building or structure to be demolished, or otherwise made safe, or properly maintained.
- D. Service of Notice. The notice shall be in writing and shall be served upon the person to whom the notice is directed either personally or by certified mail, return receipt requested, addressed to the owner or party in interest at the address shown on the tax records. An employee of the Enforcing Agency shall not be appointed as a Hearing Officer.
- B. Filing Dangerous Building Notice with Hearing Officer. The Enforcing Agency shall file a copy of the notice of the dangerous condition of any building or structure with the Hearing Officer.
- C. Hearing Testimony and Decision. At a hearing prescribed by this Ordinance, the Hearing Officer shall take testimony of the Enforcing Agency, the owner of the property, and any interested party. Not more than 5 days after completion of the hearing, the Hearing Officer shall render a decision either closing the proceedings or ordering the building or structure demolished, otherwise made safe, or properly maintained.
- D. Compliance with Hearing Officer Order. If the Hearing Officer determines that the building or structure should be demolished, otherwise made safe, or properly maintained, the Hearing Officer shall so order, fixing a time in the order for the owner, agent, or lessee to comply with the order. If the building or structure is a Dangerous Building under this Ordinance, the order may require the owner or agent to maintain the exterior of the building or structure and adjoining grounds owned by the owner of the building or structure, including, but not limited to, the maintenance of lawn(s), tree(s), and shrub(s).
- E. Noncompliance with Hearing Officer Order; Request to Enforce Order. If the owner, agent, or lessee fails to appear at the hearing or refuses to comply with the order issued by the Hearing Officer under this Ordinance, the Hearing Officer shall file a report of the findings and a copy of the order with the Township Board not more than 5 days after noncompliance by the owner and request that necessary action be taken to enforce the order. A copy of the findings and order of the Hearing Officer shall be served on the owner, agent, or lessee in the manner prescribed in Section 4(D) of this Ordinance.

SECTION 6: ENFORCEMENT HEARING BEFORE THE TOWNSHIP BOARD. The Township Board shall fix a date not less than 30 days after the hearing prescribed in Section 5(C) of this Ordinance for a hearing on the findings and order of the Hearing Officer and shall give notice to the owner, agent, or lessee in the manner prescribed in Section 4(D) of this Ordinance of the time and place of the hearing. At the hearing, the owner, agent, or lessee shall be given the opportunity to show cause why the order should not be enforced. The Township Board shall approve, disapprove, or modify the order. If the Township Board approves or modifies the order, the Board shall take all necessary action to enforce the order. If the order is approved or modified, the owner, agent, or lessee shall comply with the order within 60 days after the date of

the hearing under this section. Provided, however, that in the case of an order of demolition, if the Township Board determines that the building or structure has been substantially destroyed by fire, wind, flood, or other natural disaster and the cost of repair of the building or structure will be greater than the state equalized value of the building or structure, the owner, agent, or lessee shall comply with the order of demolition within 21 days after the date of the hearing under in this section.

SECTION 7: IMPLEMENTATION AND ENFORCEMENT OF REMEDIES.

- A. Implementation of Order by Township. In the event of the failure or refusal of the owner or party in interest to comply with the decision of the Township Board, the Board may, in its discretion, contract for the demolition of the building or structure, making safe the building or structure, or maintaining the exterior of the building or structure or grounds adjoining the building or structure.
- B. Reimbursement of Costs. The costs of the demolition, of making the building or structure safe, or of maintaining the exterior of the building or structure or grounds adjoining the building or structure, incurred by the Township to bring the property into conformance with this Ordinance shall be reimbursed to the Township by the owner or party in interest in whose name the property appears on the last local tax assessment records.
- C. Notice of Costs. The owner or party in interest in whose name the property appears on the last local tax assessment records shall be notified by the Township's Ordinance Enforcement Officer of the amount of the costs of the demolition, of making the building or structure safe, or of maintaining the exterior of the building or structure or grounds adjoining the building or structure, by first class mail at the address shown on the Township's records.
- D. Lien for Unpaid Costs. If the owner or party in interest fails to pay the costs within 30 days after mailing by the Ordinance Enforcement Officer of the notice of the amount of the cost, in the case of a single-family dwelling or a two-family dwelling, the Township shall have a lien for the costs incurred by the Township to bring the property into conformance with this Ordinance. The lien shall not take effect until notice of the lien has been filed or recorded as provided by law. A lien provided for in this subsection does not have priority over previously filed or recorded liens and encumbrances. The lien for the costs shall be collected and treated in the same manner as provided for property tax liens under the General Property Tax Act, Public Act 206 of 1893, as amended, MCL 211.1, *et. seq.*
- E. Court Judgment for Unpaid Costs. In addition to other remedies under this Ordinance, the Township may bring an action against the owner of the building or structure for the full cost of the demolition, of making the building or structure safe, or of maintaining the exterior of the building or structure or grounds adjoining the building or structure.
- F. Enforcement of Judgment. A judgment in an action brought pursuant to Section 7(E) of this Ordinance may be enforced against any assets of the owner including, but not limited

to, the building or structure and the land on which it is located or other real or personal property of the owner.

- G. Lien for Judgment Amount. In the case of a single-family dwelling or a two-family dwelling, the Township shall have a lien for the amount of a judgment obtained pursuant to Section 7(E) of this Ordinance against the owner's interest in all real property located in the State of Michigan that is owned in whole or in part by the owner of the building or structure against which the judgment is obtained. A lien provided for in this subsection does not take effect until notice of the lien is filed or recorded as provided by law, and the lien does not have priority over prior filed or recorded liens and encumbrances.

SECTION 8: CIVIL INFRACTION AND REMEDIES FOR NONCONFORMANCE WITH ORDER. Any person or other entity who fails or refuses to comply with an order approved or modified by the Township Board under Section 6 within the time prescribed by that section is responsible for a municipal civil infraction as defined by Michigan law and is subject to a civil fine of not more than \$500.00, plus costs, which may include all direct or indirect expenses which the Township has incurred in connection with the violation. A violator of this Ordinance shall also be subject to such additional sanctions, remedies, and judicial orders as are authorized under Michigan law. Each day a violation of this Ordinance continues to exist constitutes a separate violation.

SECTION 9: APPEAL OF TOWNSHIP BOARD DECISION. An owner aggrieved by any final decision or order of the Township Board under Section 6 of this Ordinance may appeal the decision or order to the circuit court within 20 days from the date of the decision or order of the Township Board.

SECTION 10: SEVERABILITY. The provisions of this Ordinance are hereby declared to be severable and if any clause, sentence, word, section, or provision is hereafter declared void or unenforceable for any reason by any court of competent jurisdiction, it shall not affect the remainder of such Ordinance which shall continue in full force and effect.

SECTION 11: REPEAL. All ordinances or parts of ordinances in conflict herewith are hereby repealed; provided that this Ordinance shall not be construed to repeal expressly or by implication any provision of the applicable Building Code (or maintenance, electric, plumbing, or similar code) or Zoning Ordinance.
